

TAKE ACTION

AT THERAPY SOLUTIONS OF GEORGIA, YOUR CHILD'S SUCCESS IS OUR PRIORITY.

According to the American Speech-Language-Hearing Association (ASHA),

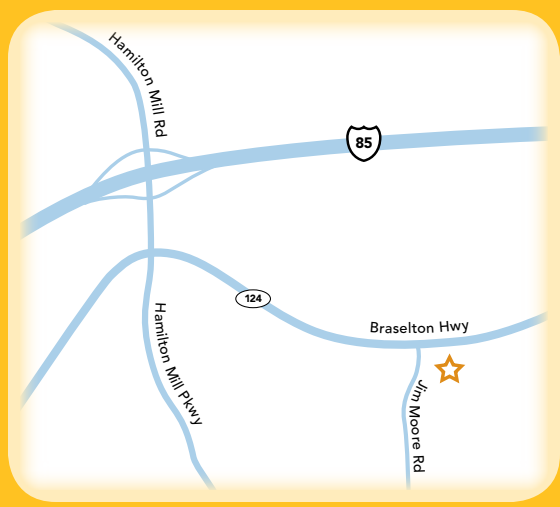

.....
"COMMUNICATION DISORDERS ARE AMONG THE MOST COMMON DISABILITIES IN THE UNITED STATES."
.....

The National Institute on Deafness and Other Communication Disorders (NIDCD) reports that "approximately one of every six Americans experiences some form of communication disorder."

ASHA also contends that "a child's overall future and success can be improved greatly through the early identification of communication disorders, establishment of their causes, and subsequent intervention."

If you have concerns about your child, now is the time to **Take Action!** Take the first step to assure your child's success by calling our office at **678.377.9634** to schedule an appointment today.
