THE PURPOSE

Special Dragons Tae Kwon Do is a program designed to help children with special needs and disabilities learn the art of Tae Kwon Do. Students will focus on skills to improve their social skills, follow routines and directions, and improve spatial concepts, among others. The classes are designed to ensure that each student will have a positive experience based on a small class size, and very close supervision. Students will be encouraged to challenge themselves, and will develop a bond within themselves and with martial arts.
